CAREER OBJECTIVE

Enthusiastic and detail-oriented frontend developer with a strong foundation in HTML, CSS, JavaScript, and React, along with experience in version control using Git. Passionate about crafting responsive, user-centered web applications and continuously enhancing skills. I aim to leverage my technical abilities and problem-solving skills in a dynamic team environment, contributing to high-quality projects that offer meaningful user experiences. Driven to learn and grow, I am eager to gain hands-on experience and take on challenges that will help me develop into a proficient frontend developer.
